How you can keep your life insurance going...

even if your group coverage ends.

If any portion of your Minnesota Life group coverage terminates (because your employment or membership in a class eligible for insurance terminates or the master group contract terminates), you may be able to continue your life insurance protection. Your right to do this is called a conversion privilege, and its features are described here for you.

In order to exercise your conversion privilege, you must — within 31 days after your group insurance ends — submit the conversion enrollment form attached and the first premium payment. Your conversion rights are subject to the master contract under which you are insured.

How can I continue my life insurance protection when my group coverage terminates?

You can continue your protection by taking out an individual life insurance policy. This is called a conversion and your right to do so is called a conversion privilege. You do not have to prove that you are insurable, but you must submit your enrollment form and first premium payment within 31 days after your group coverage ends.

What about my family's insurance?

If your group coverage includes life insurance on your dependents, you may be able to continue their protection under individual policies. Check your certificate to make sure they qualify.

What about temporary layoffs?

It's not usually necessary to enroll for conversion if you are laid off temporarily. You can usually make arrangements with your employer to keep your group insurance in force.

What if the master group contract terminates or is amended?

Depending upon applicable state law and the terms of the master group contract, you may be eligible to convert all or a portion of your group life insurance. For more information, call our toll-free number, 1-866-293-6047.

How much insurance can I get?

If your coverage terminates for any reason other than cancellation of the master contract, you can convert all or any portion of your group insurance. If your master group contract terminates and you are eligible to convert, the amount you are eligible to convert will depend on applicable state law and the terms of the master group contract. Call our toll-free number for details.

What if I die before I have a chance to convert my insurance?

If you die during the 31-day conversion period, your beneficiary will receive the full amount of your group insurance — whether or not you enrolled to continue your coverage. Any premium paid for a new policy will be refunded.

What kind of policy will be issued?

You will be issued a whole life insurance policy known as Classic Life.

How much will it cost?

Your premiums will be at Minnesota Life's regular rates in use at the time your new policy is issued, depending on your age at the time you convert. Use the rates shown in this brochure to determine your initial premium. Rates are subject to change.

How do I determine my new premium?

First, determine your issue age. The effective date of your new policy will usually be 31 days from the date your coverage terminates. Your issue age is your current age if, on the effective date of your new policy, more than six months remain until your next birthday. Otherwise, it is the age you will be on your next birthday.

Second, find the annual premium rate per \$1,000 for your issue age in the rate table.

Third, multiply the rate by the amount of insurance you are requesting. Example: \$20,000 =insurance amount. 20 x premium rate.

Fourth, add the annual policy charge noted in line 10 below. Use the example provided to help determine your premium.

Can I pay more often than once a year?

You may make premium payments quarterly or semiannually if each payment is at least \$10. To determine a semiannual premium, divide your annual premium by two and add \$1. To determine a quarterly premium, divide the annual premium by four and add \$1. See the example provided.

How do I convert?

Complete the enrollment form attached. Use your beneficiary's full name (no initials) and show the relationship of each beneficiary to you (for example, wife). **Make sure your employer completes the bottom section of the enrollment form.** Date and sign the enrollment form using your full name (no initials) and send to Minnesota Life along with your first premium.

If you want to convert your dependents' insurance, complete a separate enrollment form for each individual. Sign the enrollment form as "Employee," and have your dependent (if legally old enough to sign) sign as "Person Converting."

Here's an example to help you determine your new premium. Please complete the column below.
